We are proud to announce the second annual International Conference "Economics and Management - Based on New Technologies - EMoNT 2011". This conference is an opportunity for academics, researchers, experts and scholars to meet and share knowledge and experience towards an improved future.

The Conference also encourages graduate students (at the PhD or Master's level) to submit their research results, with a significant fees' discount. As a result of knowledge and experience networking, the conference should provide propositions of possible solutions for overcoming the effects of the economic crisis.

The 3<sup>rd</sup> International Conference "Economics and Management - Based on New Technologies" - **EMoNT 2013** will be held on 13-16. June 2013, in Vrnjačka Banja, Serbia.
